# FLEXIBLE SHAFT DRIVE SUB.PUMP 50MM

CIPA flexible shaft-driven heavy-duty pumps are portable and can be used in a variety of applications. Available as standard premium heavy-duty pump or heavy-duty cast iron model - both with stainless steel impeller for improved abrasion resistance. Self-priming, choke resistant spindle and oil bath lubrication. Fitted with a quick action flexshaft coupling with a 3-tooth drive dog enabling them to be operated by all standard drive units. Fitted with an adaptor for cam-lock quick action hose fittings. Comes fitted with an anti-kink device; you can move the coil on the shaft to where the pump needs to go over an edge etc. to help prevent the flexible shaft from kinking. 12 month warranty on pump head; 6 month warranty on flexible shaft. Stainless steel impeller as standard.
